

Palacio and Emgee Group

Palacio and Emgee Group, has been developing projects in Goa and Maharashtra for over 30 years. The groups have created spectacular residential projects with innovative architectural designs. Palacio and Emgee Group's homes are a blend of local architectural designs along with modern concepts. Some of the landmark projects in Goa are Casa Philomena, Calangute which are boutique styled apartments with Portuguese architecture; Emgee Terraces - Dona Paula, modern architecturally designed luxury apartments; Golden Retreat and Regalo , Goa Velha- apartments on the riverfront; Anantam - Dona Paula- ultra-luxurious beach front project, Bonito Val, Pilerne, developed plots just 5 kms from Candolim and Emgee Greens, Taleigao, apartments. The groups boast of intrinsically designed eco-friendly developments that revolve around meeting niche needs, offering top-notch quality and good value for money.
