

## REGALO AT SIRIDAO BY PALACIO

In 2006 the Palacio Group set foot in Goa with a clear vision – to create homes for Goan families that are a unique blend of heritage and contemporary architecture. Homes that would offer modern day comforts and a lifestyle in harmony with the surroundings.

Currently, Palacio has a basket of projects on offer. Glenwood Gardens, located on the banks of the Siridao River is

a self-contained, gated project with unique features. "Our first phase at Glenwood Gardens, 'Golden Retreat' is what made Palacio a household name in Goa and everybody took notice of brand Palacio," explains Vinay Bhasin the energetic promoter of the brand. He further explains that Golden Retreat is a luxury retirement phase at Glenwood Gardens. Currently Palacio is marketing the third and signature

phase 'Regalo' which boasts of spacious riverfront living. Also up for grabs are premium residential plots at 'Bonitto Val' in the heart of Pilerne, a famous bird watching spot, which is located a few minutes' drive from the famous Candolim Beach. The company has won numerous awards for quality and

perfection
