

# Palacio celebrates a good year with a Christmas party

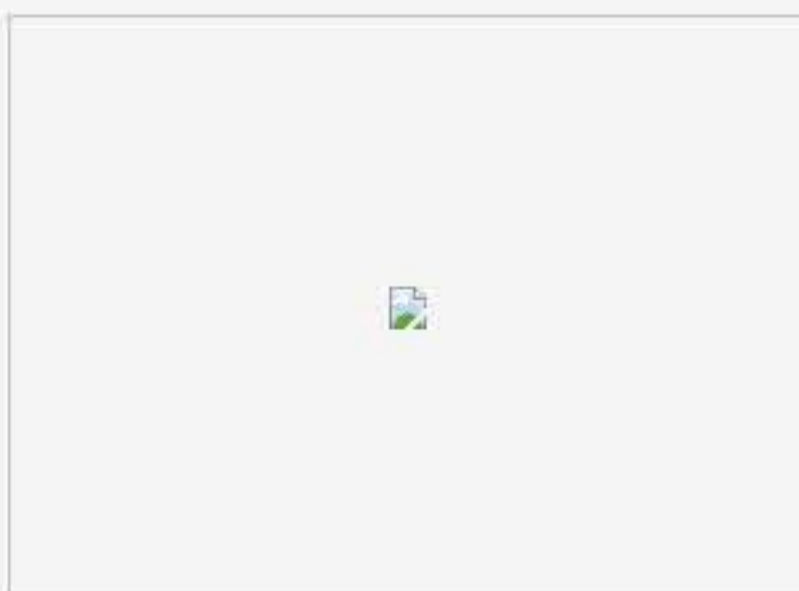

24, Dec 2013

The spotlight moved to Goa Velha recently, as the Palacio Group brought in Christmas cheer with the who's who of Goa, at the poolside at 'Club Nirvana' at Glenwood Gardens. Live music by the Crazy Crows kept the crowd in high spirits throughout the evening with Team Palacio playing the perfect hosts.

'Club Nirvana', the club at Glenwood Gardens, a self-contained, gated residential complex by Palacio Group was inaugurated on the 1st of September 2013. As clubhouses go this one is pretty special with planned spaces allotted to health and recreation.

The club is fully equipped with a state-of-the-art gymnasium, yoga & meditation centre, swimming pool with jacuzzi, a games room with pool table, cards room, as well as table tennis and carrom tables, a spacious banquet / event hall and a deluxe spa. The restaurant cum café and a well stocked bar is next in line to open up.

"Our vision has always been to provide a quality of life that meets customer needs and expectations in more ways than one and you'll notice that in every Palacio project in Goa.", states Vinay Bhasin, co-founder, Palacio Group.

The various phases at Glenwood Gardens; *Grandeza*, *Golden Retreat* and their phase currently on offer, *Regalo*, is yet another example of a carefully planned, need-based real estate offering. As Vinay Bhasin puts it, "Panjim is a city fighting for space, so we are offering our customers the luxury of space at our homes at Glenwood Gardens, which is adjoining Panjim. At the complex we have an on-site ambulance and electric buggies, and very soon we will add to our amenities a convenience store, laundry service, an infirmary, and much more, thus making the project self-contained."

**TEAM EFFORT - The Palacio Group team threw a sumptuous Christmas party**

The Palacio Group's *Regalo* project is a spacious spread of 3 BHK apartments on the banks of the Siridao river. *Regalo's* theme is space. Large apartments, large balconies and terraces, penthouse and garden apartments, a swimming pool, a gym, a spa, a yoga and meditation centre, a tennis court, indoor games, wi-fi, 24x7 security, a convenience store and eco-friendly buggy, a private jetty and boat are some of the amenities listed. And then there are beautifully landscaped gardens leading all the way down to the bank of the gently flowing River Siridao.

Vinay Bhasin cheerfully exclaimed "It's been a great year for Palacio, we've achieved many milestones - that's reason enough to celebrate!"

Shamaine Coutinho Palacio's marketing Head elaborates "our vision of progress through harmony is becoming a reality, we've introduced many green initiatives and customer friendly processes this year and intend to keep it up in the New Year!"

If you are interested in buying that large airy home overlooking a river, you could head out to *Regalo*, just 9 minutes' drive from Panjim. Ready possession and under-construction apartments are available.
